Lament

"Though the fig tree should not blossom, nor fruit be on the vines, the produce of the olive fail and the fields yield no food, the flock be cut off from the fold and there be no herd in the stalls, yet I will rejoice in the LORD; I will take joy in the God of my salvation."

PRO-LIFE RESOURCES

The overturning of Roe v. Wade has brought with it new and more opportunities to talk with family and friends about abortion and the sanctity of life. Now is the perfect time to strengthen one's understanding of pro-life convictions and grow in one's ability to articulate those truths.

Crossway publishing has pulled together a helpful and varied list of resources – books, articles, blog posts, and podcasts, to do just that.

Here are four of those resources that the pastors at CrossWay encourage you to either start with or focus on:

- 1. **Book:** *The Case for Life* by Scott Klusendorf – If you are going to read only one book about abortion and the pro-life position, this is a good option. It educates and equips you to talk about the issue.

- 2. **Audio Article:** *10 Things You Should Know About Abortion* – This is a ten-minute audio article that quickly covers 10 foundational truths that anchor the pro-life position in a Godward perspective.
<https://bit.ly/cw10things>
- 3. **Article:** *Abortion and the Forgiveness of God* – The conversation/debate about abortion can often (unintentionally) leave women who have had one feeling condemned and shamed. It is the church's responsibility, while advocating and working to end abortion, to also share the gospel message that frees and forgives. This short article expresses the biblical truth at the heart of that responsibility.

- 4. **Article:** *How to Defend Pro-Life Views in 5 Minutes* – The name of this article says it all.
