Swedish Method of Bible Study

While reading a Bible passage, use the following symbols to mark what stands out to you as you read. Then talk about the marks you made with a friend, or write about them in a journal.

A lightbulb - anything from the passage that stands out or is interesting.

A question mark - did the passage spark any questions?

An arrow - how does this passage help you move forward in faith and walk in better relationship with others and the Lord?
